

1100 Ocean Front Campsites

December 1, 2017

To: Golf Cart Rental Companies

From: Glenn Cartrette, Assistant Manager 

Subject: ADA {Disability} Golf Cart Policy for Transient Campsites

Myrtle Beach Travel Park has made some minor changes to the ADA Golf cart policy which also affects the cart rental companies. The minor changes and policy emphasis are as follows:

Guests must provide a valid, State-issued disability parking placard or card, or State-issued proof of disability.

Guests must provide proof of liability insurance coverage on the cart with a minimum coverage of \$25,000.00. **{Cart Rental Company provide blanket coverage annually}**

Electric golf carts are the only type carts permitted.

Carts cannot exceed the normal cart size seating a maximum of four people.

Guests must receive and return all rental carts in the front office parking lot. The Rental Company cannot transport carts through the Security gate. The transient site guests cannot drive the cart through the Security gate without the orange disability pass. An annual lease site lease cannot pass through the Security gate until their cart has been inspected and the appropriate pass issued.

Cart Rental Companies cannot have advertisements on cart.

**Please fax or email us a current copy of your liability insurance coverage at 843-497-8521 or [gcartrette@mbtravelpark.com](mailto:gcartrette@mbtravelpark.com).**
